Developing Character,
 Enriching Minds.

June 14, 2018

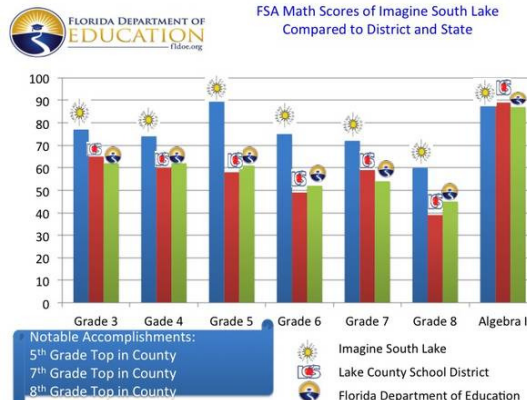

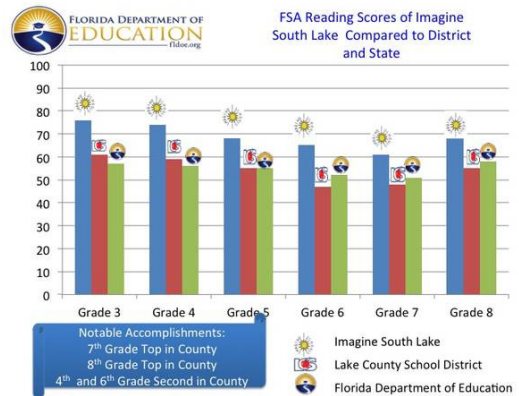

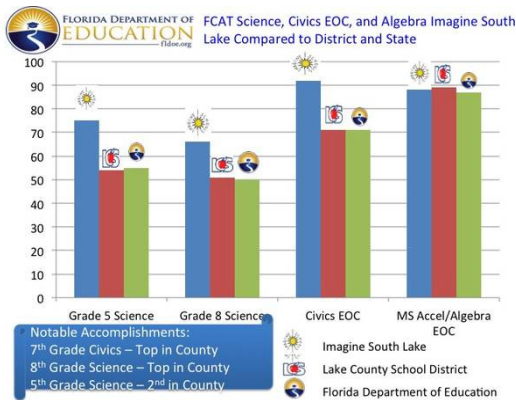

Dear Parents,

FSA Math and ELA, Science, and Civics scores were released to schools today from the Florida Department of Education. Imagine South Lake outperformed the district and state in nearly every grade level and subject area. In many cases, we were first in Lake County. Way to go Warriors! Our faculty and staff are One Team working together for our students!

I am so proud of the excellent work we did at Imagine South Lake this year, including all of the ways we worked to develop and support students that cannot be measured through a test. We had many opportunities to love our Warriors well this year through triumphs and challenges. This is among our most important work and highest calling. Individual student scores will be uploaded into Jupiter Grades in the coming weeks.

Go Warriors!

Mrs. Dial
