

Imagine South Lake Charter Electronic Reader Permission Form

I authorize my child, _____ to bring his/her eReader to school with the understanding that it is to be used as a tool for reading only. All materials on an eReader brought to school must comply with the educational objectives of the school/district. Accessing the internet is not currently appropriate use of an eReader in school. An eReader is defined as a digital device whose primary function is to store books and other print media.

By signing below, I acknowledge that I understand and agree that the school is not responsible for any damage, theft, or loss of my child's eReader, nor is it responsible for any costs incurred relating to downloading of content to the device, access to any content provided through this device, or charges for service. I also understand that bringing an eReader to school is a privilege that may be terminated at any time. I further understand that this privilege is designed for educational purposes only and that a violation of this policy or any other technology use policy of the school/district may result in the child losing the privilege of bringing the eReader to school, in confiscation of the device, or in appropriate disciplinary action including suspension, expulsion, or legal action.

I also recognize that it is impossible for school staff to monitor all activity on personal eReaders, and will not hold the school responsible for damages related to my child's use of the eReader or for content viewed by any student on the eReader, including via an internet connection.

Parent/Guardian Name: (Print) _____

Parent/Guardian Signature: _____

Date: _____
